Part C – Fraud Statement and Important Notices

Fraud Statement: Any person who knowingly presents a false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law.

Pre-Notice of Procedures as Required by The Fair Credit Reporting Act: This notice is to inform you that as part of our normal underwriting procedures in connection with an application for insurance:

- An investigative consumer report may be made whereby information is obtained through personal interviews with your neighbors, friends or others with whom you are acquainted. This inquiry will include information as to character, general reputation, personal characteristics and mode of living, except as may be related directly or indirectly to your sexual orientation, with respect to you, members of your family, and others having an interest in or closely connected with the insurance transaction; and
- You may elect to be interviewed if an investigative consumer report is prepared in connection with this application. You are entitled to receive a copy of any investigative consumer report by submitting your request in writing.
- Upon your written request, made within a reasonable time after you receive this notice, additional information as to the nature and scope of the investigation, if one is made, will be provided. You may send corrections and requests for additional information addressed to Nationwide Life and Annuity Insurance Company, P.O. Box 182835, Columbus, Ohio 43218-2835. In the event of an adverse decision, you will be notified in writing.

MIB, Inc. Disclosure Notice: Information regarding your insurability will be treated as confidential. Nationwide Life and Annuity Insurance Company, or its reinsurer(s) may, however, make a brief report thereon to MIB, Inc., a not for profit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB, Inc. member company for life or health insurance coverage or a claim for benefits is submitted to such a company, MIB, Inc., upon request, will supply such company with the information in its file. Upon receipt of a request from you, MIB, Inc. will arrange disclosure of any information it may have in your file. If you question the accuracy of information in the MIB, Inc. file, you may contact MIB, Inc. and seek a correction in accordance with the procedures set forth in the Federal Fair Credit Reporting Act. The address of the MIB, Inc. information office is 50 Braintree Hill Park, Suite 400, Braintree, Massachusetts 02184-8734, telephone number 866-692-6901. The website address of the MIB, Inc. information office is www.mib.com. Nationwide Life and Annuity Insurance Company or its reinsurer(s) may also release information in its file to other life insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted.

Part C – Fraud Statement and Important Notices (cont'd)

Information Practices: Nationwide has a privacy policy to protect your personal information, and it is available to you upon request. To issue an insurance policy, we need to obtain information about you. Some of that information will come from you, and some will come from other sources, including consumer reports such as an insurance score based on information contained in your credit report. Personal information may in certain circumstances be disclosed to third parties without your specific authorization as permitted or required by law. You have the right to access and correct your personal information.

Part D – Agreement, Authorization and Signature

Agreement: I understand and agree that:

- This application, any amendments to it, and any related medical examination(s) will become a part of the Policy and are the basis of any insurance issued upon this application.
- The Proposed Insured or Owner has a right to cancel this application at any time by contacting their Financial Professional or Nationwide Life and Annuity Insurance Company (“Nationwide”) in writing. No Financial Professional, medical examiner or other representative of Nationwide may accept risks or make or change any contract; or waive or change any of the Company’s rights or requirements.
- If the full first premium is made in exchange for a Temporary Insurance Agreement, Nationwide will only be liable to the extent set forth in that Agreement.
- If the full first premium is not paid with this application, then insurance will only take effect when (1) a policy is issued by Nationwide and accepted by me; and (2) the full first premium is paid; and (3) all the answers and statements made on the application, medical examination(s) and amendments are true to the best of my knowledge and belief when (1) and (2) have occurred.
- Nationwide may obtain and use consumer reports for each insured in the processing and/or underwriting of this application for life insurance.

No Illustration Acknowledgment – For all products other than Term and Whole Life

If a signed illustration matching the life insurance policy as applied for is not being submitted to Nationwide, please select the reason why:

- ☐ I did not receive a life insurance illustration
- ☐ The life insurance illustration provided to me does not match the life insurance policy as applied for

By signing this application:

Applicant Acknowledgment – I understand that an illustration matching the life insurance policy as issued will be provided to me no later than the time the life insurance policy is delivered.

Financial Professional Acknowledgment – I have not presented an illustration as applied for and will provide an illustration matching the policy as issued no later than the time the policy is delivered. A signed copy must be returned to Nationwide.

For ME, MA, PA, and WA only – if a life insurance illustration was displayed electronically and no hard copy was provided to the applicant, please submit the No Illustration Acknowledgment Form.

Taxpayer ID Number – Check box, if applicable.

I certify under penalties of perjury that:

- The Taxpayer Identification Number or Social Security Number listed on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and,
 - I am not subject to backup withholding because
 - ♦ I have not been notified that I am subject to backup withholding as a result of a failure to report all interest or dividends, or
 - ♦ the Internal Revenue Service has notified me that I am no longer subject to backup withholding, or that I am exempt from backup withholding, and
 - I am a U.S. citizen or other U.S. person, and,
 - The FATCA (Foreign Account Tax Compliance Act) code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct (FATCA does not apply as this is a U.S. account)
- ☐ Check this box if you have been notified by the IRS that you are currently subject to backup withholding because of failure to report interest or dividends on your tax return.

Electronic Delivery Election

- ☒ As Policy Owner, I have access to the Internet and I elect to receive all documents available to be electronically delivered (This election requires owner consent of the Electronic Document Delivery Agreement, which will be sent separately)
- ☐ As Policy Owner, I do not elect to receive documents electronically

Part D – Agreement, Authorization and Signature (cont'd)

HIPAA Compliant Authorization: I, the Proposed Primary Insured or Proposed Additional Insured (if applicable), authorize any licensed physician; health care professional; hospital; clinic; laboratory; pharmacy or pharmacy benefit manager; any source who maintains prescription drug records and related information; medical facility; insurance company; health care provider; or any other organization; institution; or person who has health information about me, to release and disclose all health information and medical records, in any format including, but not limited to electronic and/or paper format, to Nationwide Life and Annuity Insurance Company ("Nationwide"), its agents; employees; representatives; vendors; or sub-contractors; including, but not limited to; Conduent Health Assessments, LLC. Information disclosed under this form is to be used for purposes of underwriting my application in order to determine eligibility for life insurance, long-term care insurance if the Long-Term Care Rider is elected, and to detect fraud or abuse. This medical or health information may include information on the diagnosis and treatment of mental illness; alcohol; and drug use. This also may include information on the diagnosis; treatment; and testing results related to HIV; AIDS; and sexually transmitted diseases, unless otherwise restricted by state law. I understand that the aforementioned parties requesting access to my (electronic or paper) medical records are acting as a patient authorized representative and will attempt to access my medical records in the most efficient manner possible; including, without limitation, electronic interchange through a health information exchange or directly through my providers' electronic health record system. I understand that information used and disclosed according to this form for the purpose of applying for long-term care insurance will no longer be protected by Subpart E of the Regulations from the U.S. Department of Health and Human Services according to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") relating to the privacy of my health information. I further understand that information disclosed according to this form may be subject to re-disclosure by the recipient and no longer be protected by certain federal rules governing privacy of my health information. I also authorize MIB, Inc.; and any MIB member insurer; to provide any medical or personal information that it has about me to Nationwide Life and Annuity Insurance Company; its reinsurer; or any MIB authorized third party administrator performing underwriting services on Nationwide Life and Annuity Insurance Company's behalf. I also authorize Nationwide Life and Annuity Insurance Company; its reinsurer; or authorized third party administrator; to make a brief report of my personal health information or protected health information to MIB, Inc. By my signature below, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this form; and I instruct any physician; medical practitioner; hospital; clinic; pharmacy or pharmacy benefit manager; medical facility; or other health care provider to release and disclose my entire medical health record without restriction. I understand that any information that is disclosed pursuant to this form may be redisclosed and no longer be covered by federal rules governing privacy and confidentiality of health information. This form, or a copy of it, will be valid for a period of not more than two and one-half years (30 months) from the date it was signed; or the time limit, if any, permitted by applicable law in the state where the policy is delivered or issued for delivery. I agree that a photocopy of this form is as valid as the original. I understand that I have the right to revoke this authorization at any time. Written requests for revocation should be sent to Nationwide Life and Annuity Insurance Company, Attention: Underwriting; P.O. Box 182835; Columbus, Ohio 43218-2835. I understand that my revocation will not apply to information that has already been released in response to this authorization. I also understand that my revocation is not effective to Nationwide when it has a legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that I may refuse to sign this form. I understand that my refusal to sign will not affect my treatment or payment for health care; enrolling in a health plan; or establishing eligibility for benefits. I further understand that if I refuse to sign this form, or if I revoke this form before a policy is issued, Nationwide may not be able to process my application. I understand that my authorized representative or I have a right to a copy of this completed form upon written request to Nationwide.

Proposed Insured(s) and Owner/Trustee Signatures – For all coverage amounts \$100,000 and above, both Financial questions in Section 16 are required to be answered for both the Proposed Insured(s) and Owner, if not Proposed Insured(s).

IF YOU ARE SIGNING ON BEHALF OF AN ENTITY, YOU REPRESENT THAT YOU ARE AUTHORIZED TO EXECUTE THIS DOCUMENT AND TO FURTHER REPRESENT THAT ALL REQUIREMENTS OF THOSE ENTITIES INCLUDING THE USE OF ANY SEAL (IN THE CASE OF A CORPORATION AND/OR TRUST) HAVE BEEN MET.

I HAVE READ THIS APPLICATION AND AGREEMENT AND DECLARE THAT THE ANSWERS ARE TRUE AND COMPLETE TO THE BEST OF MY KNOWLEDGE AND BELIEF. I UNDERSTAND AND AGREE TO ALL ITS TERMS.

THE INTERNAL REVENUE SERVICE DOES NOT REQUIRE YOUR CONSENT TO ANY PROVISION OF THIS DOCUMENT OTHER THAN THE CERTIFICATIONS REQUIRED TO AVOID BACKUP WITHHOLDING.

Temporary Insurance Agreement
Nationwide Life and Annuity Insurance Company, Columbus, OH

This Agreement provides a limited amount of Life Insurance coverage, for a limited period of time, subject to the terms of this Agreement.

Health Question – Question must be answered by each Proposed Insured(s).

Proposed Primary Insured		Proposed Additional Insured		Any Child		Has anyone here proposed for insurance:
Yes	No	Yes	No	Yes	No	
☐	☐	☐	☐	☐	☐	To the best of your knowledge and belief, within the past 10 years, been treated for, been given medical advice from a licensed health care provider, or been diagnosed by a licensed health care provider as having: angina, or chest pain or discomfort; heart attack, heart murmur, or any other heart disorder; epilepsy, stroke or diabetes; AIDS (<i>Acquired Immune Deficiency Syndrome</i>), any AIDS-related disorder or positive HIV (<i>Human Immunodeficiency Virus</i>) test result; any brain, nervous, or mental disorder, any drug or alcohol addiction; any kidney disorder (<i>other than kidney stones</i>); or any cancer or other malignancy?

If the above question is answered **YES** or **LEFT BLANK, NO COVERAGE** will take effect under this Agreement and no representative of Nationwide Life and Annuity Insurance Company is authorized to accept money, and/or provide a temporary insurance receipt to the applicant.

Terms and Conditions

Amount of Coverage – \$1,000,000 overall maximum for all applications or agreements.

Temporary Insurance under this Agreement will commence on the date of the application if the full first premium for the mode selected has been paid and accepted by Nationwide or authorized by Electronic Funds Transfer as advance payment for an application for Life Insurance. If any Proposed Insured dies while this temporary insurance is in effect, Nationwide will pay to the designated Beneficiary the lesser of:

- the amount of death benefits, if any, which would be payable under the policy and its riders if issued as applied for, excluding any accidental death benefits, or
- **\$1,000,000** This total benefit limit applies to all insurance applied for under this and any other current applications to Nationwide and any other Temporary Insurance Agreements for Life Insurance whether applied for on the life or lives of one or more Proposed Insureds.

Date Coverage Terminates – 60 DAYS maximum coverage.

Temporary Life Insurance under this Agreement will terminate automatically on the earliest of:

- **60 days** from the date of this signed Agreement, or
- the date any policy is offered or issued to the Proposed Insured in connection with the above application, or
- the date Nationwide mails notice of termination of coverage and refund of the advance payment to the Proposed Insured, or the Owner, if different than the Proposed Insured.

Limitations

- Fraud or material misrepresentation in the application or in the answers to the Health question of this Agreement invalidates this Agreement and Nationwide's only liability is for refund of any payment made.
- This Agreement does not provide coverage for Proposed Insured's who are under 15 days of age or over the age of 70 on the date of the Agreement.
- If any Proposed Insured dies by suicide, while sane or insane, Nationwide's liability under this Agreement is limited to a refund of the payment made.
- There is no coverage under this Agreement if the check submitted as payment is not honored by the bank on first presentation or if the Electronic Funds Transfer is not processed by the bank.
- No one is authorized to waive or modify any of the provisions of this Agreement.

2. ACH Authorizations (Funds must be drawn from a U.S. Institution)

This section should be completed by the bank account holder/Payor.

Select all that apply:

☐ **Initial Premium Payment:** By checking this box, signing this form, and providing your bank account information below, you are authorizing a **one-time ACH debit** for the initial premium payment. This debit normally occurs up to 4 days after this signed authorization is received in good order or when the policy is placed in force.

Draft Amount: _____

☒ **Recurring Premium Payments:** By checking this box, signing this form, and providing your bank account information below, you are authorizing recurring ACH debits from the bank account provided on this form. To ensure optimal billing, Nationwide defaults the draft date for monthly ACH payments to the policy effective date unless another date is requested. For policy types such as CareMatters and all other payment frequencies, your draft date must be in line with the policy effective date.

Draft Amount: \$160.00

Recurring Premium Payment Frequency: ☒ Monthly: Monthly Draft Date (1st- 28th): Policy Effective Date

☐ Quarterly ☐ Semi-annually ☐ Annually

☒ **One-time Adjustment Premium Payment:** By checking this box, signing this form, and providing your bank account information below, you are authorizing a one-time ACH debit for the difference between the initial premium payment amount and any increased recurring premium amount that is determined during underwriting. If required, this one-time ACH debit will be made to your account on the date the policy is placed in force.

NOTE: This one-time adjustment payment will not occur unless there is an increase in the premium amount during underwriting. If the premium amount decreases during underwriting, Nationwide will refund any excess premium via check or one-time ACH credit unless instructed otherwise.

Please be sure to read the Terms and Conditions that can be retained for your records on page 3. If you need to make changes or revoke any of these Authorizations, please call us at 800-848-6331.

3. Bank Account Information (Funds must be drawn from a U.S. Institution)Bank Account Holder Name: Waqar Ehsan

The following documents are recommended to verify ownership of the account provided:

DO NOT STAPLE OR TAPE THE RECOMMENDED DOCUMENTS TO THIS FORM.

- **Checking Accounts:** Please include a pre-printed voided check with this Authorization. Starter checks and deposit slips will not be accepted.
- **Savings Accounts:** Please include a letter from the bank, signed by a bank representative, which indicates the ABA routing number, the account number and the bank account holder's name for verification.

6. Signature(s) (required)

By signing this form, you authorize Nationwide Life Insurance Company and/or Nationwide Life and Annuity Insurance Company to electronically debit (withdrawal) and/or correct by electronic credit (deposit) your life insurance premium payments from the bank account listed on this form as specifically elected in Section 2 and as allowed by U.S. law. You also authorize your bank to debit or credit your account accordingly.

If you are not the Policy Owner, by signing this form, you also agree to be named as Payor on this life insurance policy. As named Payor, you will have rights to billing information about this policy. All other rights and information about the life insurance policy are exclusive to the Policy Owner (and any named Joint Owner, if applicable).

RETAIN FOR YOUR RECORDS. DON'T RETURN WITH THE COMPLETED FORM.

ACH Authorization Information

- **Date of Debit:** The recurring debits from your checking or savings account will occur no earlier than the draft date provided above. If the draft date falls on a weekend or holiday, the debit will occur on the next business day after the regularly scheduled draft date.
- **Account Verification:** In processing your one-time or recurring debit transaction(s), Nationwide uses consumer information to verify ownership of the bank account to reduce the possibility of fraud. If there is an inconsistency in the information you have provided to us and the authorized bank account holder's information, or if you fail to provide adequate account information, we will contact you to validate or obtain accurate bank account information.
- **For Commercial Bank Account Owners Only:** Each of Nationwide and the Commercial Bank Account Owner identified on this form agree to be bound by Nacha Operating Rules and acknowledges that the origination of ACH transactions to this account must comply with applicable U.S. Law.
 - **Corporate Account Ownership:** Where the owner of the account is a corporation, please provide a corporate resolution or a letter from the company or bank confirming the individual who is authorized to sign checks on behalf of the company. This authorized person must sign this form as the bank account owner.
 - **Trust Ownership:** Where the owner of the account is a trust, please provide a Certification of Trust (Trust Certificate) that provides necessary information to validate the trust including but not limited to the legal Trust name and effective date, the Trustee(s) authorized to act on behalf of the Trust (generally and with respect to the trust account indicated on this form) including any successor Trustee(s), and the Trust's tax identification number.
- **Insufficient Funds:** If sufficient funds are not available on the draft day, you authorize us to make a second draft attempt within 5 business days. Your bank may charge a fee for these attempts if sufficient funds are not available. Nationwide does not charge a fee for these attempts, but your financial institution might. If sufficient funds are not available after the second attempt, Nationwide will contact you to resolve any issues related to outstanding premium.
- **Joint Account Owners:** If this bank account is a joint account, authorization by one bank account owner constitutes authorization by all bank account owners - whether a current owner of this account or added after this authorization is signed.
- **Stopping Automatic Payments:** Your authorization allows us to continue taking premium payments from this account (and/or corrections by electronic debit or credit) until you tell us to stop, upon policy termination, or upon the payment of your last scheduled premium payment, whichever occurs first. To withdraw your authorization, you must notify us by contacting our solutions center at 800-848-6331. Please provide notification to us at least 10 days in advance of when our authorization should end. Doing so allows us and your bank to take action.
- **Outstanding Balances:** If you have a balance due on your policy(ies) after the expiration or cancellation of this authorization, you authorize us to electronically debit this bank account for the outstanding balance.
- **Amount Changes:** If for any reason your scheduled payment changes by an amount greater than or equal to \$10, we'll notify you by sending you an updated summary.

Payor Information

- **Designation as a Payor:** Does not constitute acceptance of any liability on part of the Payor, or Nationwide, for services provided to the Policy Owner. The designation does not create the right to inquire or request changes on the life insurance policy.
- **Limitations:** As a designated Payor, you are limited to receive information on billing and payment inquiries. This encompasses any information necessary for the Payor to be able to make payments on the policy to keep the policy active and in good standing.

INFORMATION AND AUTHORIZATION FOR BLOOD, URINE OR ORAL FLUID TESTING

TESTING INFORMATION

In connection with your application for insurance, a blood, urine or oral fluid sample will be obtained for the purpose of laboratory testing to provide necessary medical information concerning your insurability. These tests may include (but are not limited to) tests for cholesterol and related lipids, diabetes, liver, kidney, or immune disorders, the presence of medications, drugs, or their metabolites, and the presence of the Human Immunodeficiency Virus (HIV, which is the virus that has been associated with the Acquired Immune Deficiency Syndrome or AIDS). All tests will be done using medically accepted and reliable procedures.

If an HIV Antibody Screen is performed, it will be performed according to the following medical protocol: an initial ELISA test; if the initial ELISA test is negative, a negative finding is reported by the laboratory to Nationwide Life Insurance Company or Nationwide Life and Annuity Insurance Company, hereinafter referred to as Nationwide; if it is positive, it is repeated. If the second ELISA test is positive, a Western Blot test is used to confirm the previous positive results. If the second ELISA test is negative, a third ELISA test is performed. If the third ELISA test is positive, a Western Blot test is used to confirm the previous positive tests. If the third ELISA test is negative, a negative result is reported by the laboratory to Nationwide. Only if at least two ELISA tests and a Western Blot test are positive, will the result be reported as positive. All other results will be reported as negative or indeterminate by the laboratory to Nationwide.

If your HIV antibody test is positive, there is a very high probability that you have been infected with the virus. A positive test does not mean that you have AIDS. It does mean, however, that you are at risk of developing AIDS or AIDS related conditions. A positive test result would also adversely affect your insurance application. An indeterminate test result means that your insurability cannot be determined and that you should be retested by your personal physician in six months to one year.

If your HIV antibody test is negative, you most likely have not been infected by the virus. However, it is possible you have been recently infected with the virus and have not yet developed antibodies.

You will be notified if a serious abnormality on any test is found, and upon receipt of your authorization, the results will be sent to a physician of your choice.

All test results will be treated confidentially, positive HIV and/or hepatitis/antigen tests may be reported to your state department of health as required or permitted by law. If Nationwide receives any abnormal test results, a report may be made to the MIB, Inc. (Medical Information Bureau), as disclosed to you at time of application. Results of a positive HIV test will be reported by means of a generic code indicating a non-specific abnormality. Other abnormal results, such as elevated blood sugar or cholesterol, may be reported by a more specific code. In addition, the results of the tests could be disclosed without your consent in response to a subpoena.

INFORMED CONSENT AND AUTHORIZATION FOR BLOOD, URINE OR ORAL FLUID TESTING

I have read and understand the above Blood, Urine or Oral Fluid Testing Information. I hereby authorize Nationwide's designated medical facilities to obtain samples of my blood, urine or oral fluid and to perform laboratory tests on those samples including, but not limited to, a test for the presence of the Human Immunodeficiency Virus (HIV or AIDS Virus). I further authorize the disclosure of the test results only to Nationwide, its reinsurers, and the MIB, Inc. and as required or permitted by law. The test results will not be disclosed to any other individual or organization without a court order or written authorization from me.

DISCLOSURE STATEMENT FOR ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Please Keep For Your Records

Benefit Provided by the Accelerated Death Benefit for Terminal Illness Rider ("ADB Rider"):

This accelerated benefit provides for a one-time, lump sum, advance payment of a portion of the Death Benefit Proceeds of the Policy when the Insured has a Terminal Illness. A Terminal Illness is an illness diagnosed by a Physician that is expected to result in death within 12 months of the diagnosis. The Physician shall not be any Insured, Policy Owner, Beneficiary, or a relative thereof.

The accelerated death benefit of this life insurance product may provide benefits to pay for long-term care services, but it is NOT a long-term care insurance policy and the amount this product pays you, may not be enough to cover your medical, nursing home or other bills. You may use the Accelerated Death Benefit Payment for any purpose. Unless it has been otherwise assigned or designated by the Policy Owner, the Accelerated Death Benefit Payment shall be paid to the Policy Owner or the Policy Owner's estate while the Insured is living. **Unlike conventional life insurance proceeds, accelerated benefits payable under the ADB Rider COULD BE TAXABLE IN SOME CIRCUMSTANCES.** We recommend that you contact a tax advisor when making tax-related decisions about electing to receive and use benefits from an accelerated death benefit product.

Consequences of this Benefit:

Receipt of accelerated death benefits from a life insurance policy MAY ADVERSELY AFFECT MEDICAID and SUPPLEMENTAL SECURITY INCOME ("SSI") ELIGIBILITY. The mere fact that you own a Policy with an option to accelerate the death benefit may affect your eligibility for these government programs. In addition, exercising the option to accelerate death benefits and receiving those benefits before you apply for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Division of Medical Assistance and the Social Security Administration for more information.

Eligibility and Conditions for Payment:

The Eligibility and Conditions for Payment of the accelerated death benefit are as stated in the ADB Rider. Your request for an application for the accelerated death benefit under the ADB Rider must be received at our Home Office in a form satisfactory to us. Once we receive your request for an application, we will send the forms necessary for filing a claim for the Accelerated Death Benefit Payment. If the claim form is not provided within fifteen (15) days after your request, the claim requirements are deemed to have been met by providing us with written proof that the Insured has a Terminal Illness.

Limitations on the Accelerated Death Benefit Payment:

The maximum amount of the accelerated death benefit to be paid if the Insured meets the requirements of the Eligibility and Conditions for Payment section of the ADB Rider shall not exceed fifty percent (50%) of the base Policy Specified Amount. In addition to the foregoing, the Accelerated Death Benefit Payment must be at least \$10,000.00 and shall not exceed \$250,000.00. We reserve the right to require the base Policy Specified Amount to be at least \$50,000.00 on the date your request for the acceleration benefit is processed at our Home Office.

Effect on Death Benefit, Policy Values and Premiums:

If the Accelerated Death Benefit Payment is made, the Policy values **WILL BE SUBJECT TO REDUCTIONS** as of the ADB Rider Effective Date. These reductions will be made to the base Policy Specified Amount, Cash Value, Indebtedness if any, required Premium if any, and any other Policy charges in effect at the time the request for payment is processed under this ADB Rider. Concurrent with receipt of the Accelerated Death Benefit Payment, the Policy Owner and any irrevocable beneficiaries will be provided with the ADB Rider Specifications Page which demonstrates the effect of the acceleration on the death benefit and other Policy values.

HERE IS AN EXAMPLE OF THE EFFECT OF AN ACCELERATED DEATH BENEFIT PAYMENT ON A LIFE INSURANCE POLICY. ACTUAL VALUES WILL BE DETERMINED ON THE DATE THE CLAIM IS PROCESSED.

(1) Policy Specified Amount:	\$ 500,000.00
(2) Requested Percentage of Policy Specified Amount:	20%
(3) Amount to be Accelerated (Unadjusted Payment):	\$ 100,000.00
(4) (a) Reduced by Estimated Charges and Adjustments	
(i) Administrative Expense Charge	\$ 250.00*
(ii) Interest Rate Discount on the amount to be Accelerated	5.00%
(iii) Policy Premium/Policy Charges** Due on Accelerated Portion (12 months)	\$ 5369.00
(iv) Risk Charge on the amount to be Accelerated***	3.60%
(b) Reduced by Overdue Premium (if applicable)	\$ 0.00
(c) Proportional reduction to Indebtedness (if applicable)	\$ 0.00
(d) Total Accelerated Death Benefit Payment payable to the Policy Owner	\$ 85,781.00
(5) Reduced Policy Specified Amount:	\$ 400,000.00
(6) Premium Necessary to Keep Policy in Force	
(a) Premium before Acceleration of Death Benefit	\$ 26,845.00 per year
(b) Premium after Acceleration of Death Benefit	\$ 21,476.00per year
(7) Effect on Cash Value	
(a) Cash Value before Acceleration of Death Benefit	\$ 131,957.00
(b) Cash Value after Acceleration of Death Benefit	\$ 105,565.60

*** We may charge less, but will never charge more than the maximum Administrative Expense Charge stated above. For policies issued in Florida, the maximum Administrative Expense Charge is \$100.00.**

**** Referred to as Policy Premium in Whole Life policies, policy premium or policy charges in Universal Life and Variable Universal Life Products.**

IMPORTANT NOTICE TO APPLICANT/BUYER REGARDING ACCELERATED DEATH BENEFITS

For policies issued in California:

The benefits provided by this accelerated death benefit are not intended to provide, and will never provide, long-term care insurance, nursing home insurance, or home care insurance. If you are interested in long-term care or nursing home or home care insurance, you should consult with an insurance agent licensed to sell that insurance, inquire with the insurance company offering the accelerated death benefits, or visit the California Department of Insurance Internet Web site (www.insurance.ca.gov) section regarding long-term care insurance.

If you choose to accelerate a portion of your death benefit, doing so will reduce the amount that your beneficiary will receive upon your death.

Receipt of accelerated death benefits may be taxable. Prior to electing to buy the accelerated death benefit, you should seek assistance from a qualified tax adviser.

Receipt of accelerated death benefits may affect eligibility for public assistance programs, such as Medi-Cal or Medicaid. Prior to electing to buy the accelerated death benefit, you should consult with the appropriate social services agency concerning how receipt of accelerated death benefits may affect that eligibility.

For policies issued in Washington:

This accelerated life benefit does not and is not intended to qualify as long-term care under Washington state law. Washington state law prevents this accelerated life benefit from being marketed or sold as long-term care.

**INFORMATION ABOUT
ACCELERATED DEATH BENEFIT FOR CHRONIC ILLNESS RIDER
NATIONWIDE LIFE AND ANNUITY INSURANCE COMPANY
P.O. Box 182835
Columbus, OH 43218-2835
Telephone: 1-800-848-6331 (Customer Service)**

The information in this disclosure statement provides an overview of the Accelerated Death Benefit for Chronic Illness Rider ("CI Rider") and is not intended to be a full description of the CI Rider or the Policy. See your CI Rider for complete details. Capitalized terms have the meaning given to them in the Policy and CI Rider.

Benefit Provided by the Accelerated Death Benefit for Chronic Illness Rider:

Subject to availability limitations, payment limits, eligibility requirements, and the claims process stated in the CI Rider, an annual lump sum benefit payment is available as an accelerated payment of a portion of the life insurance policy death benefit, if the Insured is Chronically Ill.

Chronically Ill means, an Insured who has been certified by a Licensed Health Care Practitioner, other than an owner or employee of a Service provider, the Policy Owner, Insured, or a relative of the Policy Owner or Insured, as:

1. being unable to perform, without Substantial Assistance from another individual, at least two Activities of Daily Living for a period of at least ninety days due to a loss of functional capacity; or
2. requiring Substantial Supervision to protect the individual from threats to health and safety due to severe Cognitive Impairment.

Eligibility for the Payment of Benefits:

Subject to availability limitations and payment limits, a CI Accelerated Death Benefit Payment will be payable if all of the following requirements are met at the time of each respective Claim:

1. we have received Written Certification dated within thirty days prior to submission of a Claim stating that the Insured is Chronically Ill and is expected to need Substantial Assistance with Activities of Daily Living or Substantial Supervision to protect the Insured from threats to health and safety due to Cognitive Impairment for the remainder of their life; and
2. the Elimination Period has been satisfied for the first Claim, and for any subsequent Claim that is submitted more than ninety calendar days after the anniversary of the most recent prior CI Rider benefit payment date.

Note: After the first Claim is paid, subsequent Claims will not be accepted more than thirty days prior to the anniversary of the most recent CI Rider benefit payment date.

We reserve the right to obtain second and third medical opinions, including physical examination of the Insured, to verify that the eligibility requirements are met.

Cost of this Benefit:

There are no required Premiums or monthly charges for this CI Rider; however, there is an administrative charge that will apply at the time a CI Accelerated Death Benefit Payment is made. The administrative charge will be stated in a disclosure statement provided to you at the time of the Claim, and the guaranteed maximum administrative charge will be stated in your Policy Specification Pages. If your Policy is in a grace period or has Indebtedness, the CI Accelerated Death Benefit Payment will also be reduced to pay due and unpaid Premium and/or Policy charges or as a loan repayment.

Impact of Benefit Payment on Policy Values and Premium and/or Policy Charges:

If a CI Accelerated Death Benefit Payment is made, the base Policy Specified Amount will be reduced by an amount equal to the CI Unadjusted Payment Amount multiplied by the applicable CI Specified Amount Reduction Factor, which is used to gross up the amount of the base Policy Specified Amount reduction to account for the time value of money using (i) a mortality assumption based on the Attained Age and sex of the Insured, and (ii) an interest rate component.

As a result, the base Policy Specified Amount will be reduced by more than the CI Unadjusted Payment Amount.

Additionally, the following values **WILL BE REDUCED** to reflect the reduction in the base Policy Specified Amount if a CI Rider benefit payment is made: any Extended No-Lapse Guarantee Value, Policy Value, Policy Surrender Value, and any benefits or credits calculated using those values. Any required Premium or Policy charges based on the base Policy Specified Amount or Policy Value, will also be reduced. If a nonforfeiture option, such as extended term insurance or reduced paid-up insurance, is elected after an accelerated death benefit is paid or the Policy is reinstated, it will be based on the remaining reduced base Policy Specified Amount. Concurrent with payment of a CI Rider benefit, the Policy Owner and any irrevocable beneficiaries will be provided with a statement demonstrating the effect of the acceleration on the death benefits on the base Policy Specified Amount, Death Benefit Proceeds, and Premium and/or Policy charges.

The amount available to pay benefits under other riders may also change as described in the CI Rider.

Important Information about the CI Rider:

The CI Rider is only available with a Policy that does not have a rider that accelerates the death benefit for long-term care attached.

The CI Rider benefit may be used to pay for long-term care services, but **it is NOT a long-term care insurance policy** and the amount this product pays you, may not be enough to cover your medical, nursing home or other bills. You may use a CI Accelerated Death Benefit Payment for any purpose. Unless it has been otherwise assigned or designated by the Policy Owner, a CI Accelerated Death Benefit Payment will be paid to the Policy Owner or the Policy Owner's estate while the Insured is living.

This Rider is intended to provide a qualified accelerated death benefit under Section 101(g) of the Internal Revenue Code of 1986, as amended. Unlike conventional life insurance proceeds, accelerated benefits payable under the CI Rider COULD BE TAXABLE IN SOME CIRCUMSTANCES.

We recommend that you contact a tax advisor when making tax-related decisions about electing to receive and use benefits from an accelerated death benefit product.

Receipt of accelerated death benefits from a life insurance policy MAY ADVERSELY AFFECT MEDICAID and SUPPLEMENTAL SECURITY INCOME ("SSI") ELIGIBILITY. The mere fact that you own a policy with an option to accelerate the death benefit may affect your eligibility for these government programs. In addition, exercising the option to accelerate death benefits and receiving those benefits before you apply for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Division of Medical Assistance and the Social Security Administration for more information.

**INFORMATION ABOUT
ACCELERATED DEATH BENEFIT FOR CRITICAL ILLNESS RIDER
NATIONWIDE LIFE AND ANNUITY INSURANCE COMPANY
P.O. Box 182835
Columbus, OH 43218-2835
Telephone: 1-800-848-6331 (Customer Service)**

The information in this disclosure statement provides an overview of the Accelerated Death Benefit for Critical Illness Rider ("CRI Rider") and is not intended to be a full description of the CRI Rider or the Policy. See your CRI Rider for complete details. Capitalized terms have the meaning given to them in the Policy and CRI Rider.

Benefit Provided by the Accelerated Death Benefit for Critical Illness Rider:

Subject to availability limitations, payment limits, eligibility requirements, and the claims process stated in the CRI Rider, a lump sum benefit payment is available as an accelerated payment of a portion of the life insurance policy death benefit, if the Insured meets one of the following qualifying conditions as defined in the Rider, including any applicable time requirement: Cancer; Cerebrovascular Event ("Stroke"); Heart Valve Replacement/Repair; Myocardial Infarction ("Heart Attack"); Kidney Failure; Major Organ Transplant; Paralysis; Sudden Cardiac Arrest.

Eligibility for the Payment of Benefits:

Subject to availability limitations and payment limits, a CRI Accelerated Death Benefit Payment will be payable if all of the following requirements are met at the time of each respective Claim:

1. we have received written documentation applicable to the requirements of the Critical Illness qualifying condition on which a Claim is based from the appropriate type of Physician for the Critical Illness qualifying condition a Claim is based on, who is not the Policy Owner, Insured, or Immediate Family that:
 - a. is dated after the Policy Date and within 365 days prior to submission of a Claim;
 - b. allows us to establish the Insured has a Critical Illness based on a qualifying condition the occurrence of which has not been the basis of a prior approved Claim under this Rider; and
2. any required time period of treatment or survival stated within the description of the qualifying condition has been completed.

Note: We reserve the right to obtain second and third medical opinions, including physical examination of the Insured, to verify that the eligibility requirements are met.

Cost of this Benefit:

There are no required Premiums or monthly charges for the CRI Rider; however, there is an administrative charge that will apply at the time a CRI Accelerated Death Benefit Payment is made. The administrative charge will be stated in a disclosure statement provided to you at the time of the Claim, and the guaranteed maximum administrative charge will be stated in your Policy Specification Pages. If your Policy is in a grace period or has Indebtedness, the CRI Accelerated Death Benefit Payment will also be reduced to pay due and unpaid Premium and/or Policy charges or a loan repayment.

Impact of Benefit Payment on Policy Values and Premium and/or Policy Charges:

If a CRI Accelerated Death Benefit Payment is made, the base Policy Specified Amount will be reduced by an amount equal to the CRI Unadjusted Payment Amount multiplied by the applicable CRI Specified Amount Reduction Factor, which is used to gross up the amount of the base Policy Specified Amount reduction to account for the time value of money using (i) a mortality assumption based on the Attained Age and sex of the Insured, and (ii) an interest rate component.

As a result, the base Policy Specified Amount will be reduced by more than the CRI Unadjusted Payment Amount.

Additionally, the following values **WILL BE REDUCED** to reflect the reduction in the base Policy Specified Amount if a CRI Rider benefit payment is made: any Extended No-Lapse Guarantee Value, Policy Value, Policy Surrender Value, and any benefits or credits calculated using those values. Any required Premium or Policy charges based on the base Policy Specified Amount or Policy Value, will also be reduced. If a nonforfeiture option, such as extended term insurance or reduced paid-up insurance, is elected after an accelerated death benefit is paid or the Policy is reinstated, it will be based on the remaining reduced base Policy Specified Amount. Concurrent with payment of a CRI Rider benefit, the Policy Owner and any irrevocable beneficiaries will be provided with a statement demonstrating the effect of the acceleration of the death benefit on the base Policy Specified Amount, Death Benefit Proceeds, and Premium and/or Policy charges.

The amount available to pay benefits under other riders may also change as described in the CRI Rider.

Important Information about the CRI Rider:

The CRI Rider benefit may be used to pay for long-term care services, but **it is NOT a long-term care insurance policy** and the amount this product pays you, may not be enough to cover your medical, nursing home or other bills. You may use a CRI Accelerated Death Benefit Payment for any purpose. Unless it has been otherwise assigned or designated by the Policy Owner, a CRI Accelerated Death Benefit Payment will be paid to the Policy Owner or the Policy Owner's estate while the Insured is living.

Benefits paid under the CRI Rider are intended to be excludable from the recipient's gross income, under section 104(a)(3) of the Internal Revenue Code of 1986 as amended, to the extent they are attributable to the recipient's after-tax contributions. Unlike conventional life insurance proceeds, accelerated benefits payable under the CRI Rider COULD BE TAXABLE IN SOME CIRCUMSTANCES. We recommend that you contact a tax advisor when making tax-related decisions about electing to receive and use benefits from an accelerated death benefit product.

Receipt of accelerated death benefits from a life insurance policy MAY ADVERSELY AFFECT MEDICAID and SUPPLEMENTAL SECURITY INCOME ("SSI") ELIGIBILITY. The mere fact that you own a policy with an option to accelerate the death benefit may affect your eligibility for these government programs. In addition, exercising the option to accelerate death benefits and receiving those benefits before you apply for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Division of Medical Assistance and the Social Security Administration for more information.

Part D – Agreement, Authorization and Signature (cont'd)

HIPAA Compliant Authorization: I, the Proposed Primary Insured or Proposed Additional Insured (if applicable), authorize any licensed physician; health care professional; hospital; clinic; laboratory; pharmacy or pharmacy benefit manager; any source who maintains prescription drug records and related information; medical facility; insurance company; health care provider; or any other organization; institution; or person who has health information about me, to release and disclose all health information and medical records, in any format including, but not limited to electronic and/or paper format, to Nationwide Life and Annuity Insurance Company ("Nationwide"), its agents; employees; representatives; vendors; or sub-contractors; including, but not limited to; Conduent Health Assessments, LLC. Information disclosed under this form is to be used for purposes of underwriting my application in order to determine eligibility for life insurance, long-term care insurance if the Long-Term Care Rider is elected, and to detect fraud or abuse. This medical or health information may include information on the diagnosis and treatment of mental illness; alcohol; and drug use. This also may include information on the diagnosis; treatment; and testing results related to HIV; AIDS; and sexually transmitted diseases, unless otherwise restricted by state law. I understand that the aforementioned parties requesting access to my (electronic or paper) medical records are acting as a patient authorized representative and will attempt to access my medical records in the most efficient manner possible; including, without limitation, electronic interchange through a health information exchange or directly through my providers' electronic health record system. I understand that information used and disclosed according to this form for the purpose of applying for long-term care insurance will no longer be protected by Subpart E of the Regulations from the U.S. Department of Health and Human Services according to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") relating to the privacy of my health information. I further understand that information disclosed according to this form may be subject to re-disclosure by the recipient and no longer be protected by certain federal rules governing privacy of my health information. I also authorize MIB, Inc.; and any MIB member insurer; to provide any medical or personal information that it has about me to Nationwide Life and Annuity Insurance Company; its reinsurer; or any MIB authorized third party administrator performing underwriting services on Nationwide Life and Annuity Insurance Company's behalf. I also authorize Nationwide Life and Annuity Insurance Company; its reinsurer; or authorized third party administrator; to make a brief report of my personal health information or protected health information to MIB, Inc. By my signature below, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this form; and I instruct any physician; medical practitioner; hospital; clinic; pharmacy or pharmacy benefit manager; medical facility; or other health care provider to release and disclose my entire medical health record without restriction. I understand that any information that is disclosed pursuant to this form may be redisclosed and no longer be covered by federal rules governing privacy and confidentiality of health information. This form, or a copy of it, will be valid for a period of not more than two and one-half years (30 months) from the date it was signed; or the time limit, if any, permitted by applicable law in the state where the policy is delivered or issued for delivery. I agree that a photocopy of this form is as valid as the original. I understand that I have the right to revoke this authorization at any time. Written requests for revocation should be sent to Nationwide Life and Annuity Insurance Company, Attention: Underwriting; P.O. Box 182835; Columbus, Ohio 43218-2835. I understand that my revocation will not apply to information that has already been released in response to this authorization. I also understand that my revocation is not effective to Nationwide when it has a legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that I may refuse to sign this form. I understand that my refusal to sign will not affect my treatment or payment for health care; enrolling in a health plan; or establishing eligibility for benefits. I further understand that if I refuse to sign this form, or if I revoke this form before a policy is issued, Nationwide may not be able to process my application. I understand that my authorized representative or I have a right to a copy of this completed form upon written request to Nationwide.

Understanding the benefits of variable universal life

Protection

Variable universal life (VUL) is a form of permanent life insurance, meaning it can be designed to last your entire life and provide a benefit to your loved ones.

Growth potential

VULs have variable subaccounts that give you the ability to participate in the market for greater cash value growth potential.

Flexible premiums

With VUL, you can make premium contributions when you want and in the amount that you want if you satisfy the contract minimum.

Additional benefits of your VUL

Features

- Free policy management features such as automated income and premium monitoring to help you get the most out of your policy
- An initial death benefit guarantee that ensures the contract stays in force in the early policy years, even if the cash surrender value falls to zero
- The guaranteed Nationwide VUL Reward Program® offers you an additional allowance for paying your premiums consistently, which gives you greater growth potential⁵

Cash for later

- Supplement income in retirement through tax-free loans and withdrawals
- Pay off mortgages and maintain your family's standard of living
- Help pay unexpected costs with living benefits that allow you to accelerate your death benefit

Tax advantages

- The income tax-free death benefit pays out with no delay from probate
- Tax-deferred cash accumulation
- Tax-free loans and withdrawals⁶
- No federal tax penalty for early withdrawal before age 59½⁶

⁵ The benefits of and requirements for participating in the Nationwide VUL Rewards Program are listed in the narrative summary.

⁶ All references to loans assume that the contract remains in force and qualifies as life insurance under Section 7702 of the Internal Revenue Code and is not a modified endowment contract (MEC) under Section 7702A. Loans from a MEC are generally taxable and subject to a 10% early withdrawal federal tax penalty if taken before age 59½. If the policy lapses with a loan outstanding, it will be treated as a distribution, and some or all of the amount may be taxable. Nationwide and its representatives do not give legal or tax advice. Please consult with your attorney or tax advisor for answers to your specific questions.

How your policy works

Your Nationwide VUL offers a death benefit to protect your loved ones and gives you access to the cash value in the policy when you need it.

Here's how it works

With your policy you can:

A VUL is different from other life insurance products because there are no cap or floor rates on the variable investment returns - meaning you fully participate in the market and your returns are based on subaccount performance.

This a hypothetical example meant to illustrate the variability of returns.

⁷ Partial surrenders, loans and withdrawals reduce the cash value and death benefit and can cause the need to add premium to the policy in the future.

Nationwide Long-Term Care (LTC) Summary

Nationwide's Long-Term Care Rider

is a cash indemnity plan that simplifies how benefits are paid. It allows you to:

Spend your benefits as you see fit

Once you qualify, you'll receive monthly long-term care benefit payments to use without restrictions from Nationwide⁸

Eliminate monthly paperwork

You won't be required to submit bills or receipts to Nationwide⁹

Choose the care that works for you.

You can use your policy to pay for the LTC services that are right for your needs, to help cover any of the following or whatever else you may need:

- Home health care
- Assisted living
- Adult day care
- Nursing home care
- Hospice
- Family care (pay for a family member or friend to care for you)¹⁰
- Assisted living
- Home safety improvements (guardrails, ramps, disability accommodations, accessibility upgrades)
- LTC coverage options developed in the future

Coverage applied for:

Long-term care specified amount:
\$160,000

Elected percentage for maximum monthly LTC Rider:
2%

The maximum monthly benefit at issue is \$3,200,

which is the lesser of the following two amounts:

a)
The elected percentage
2% times \$160,000 = **\$3,200**

b)
The 2026 HIPAA per diem, which is
\$430 times 2 times 30 = **\$25,800**

These amounts assume no withdrawals or loans have been taken, which could reduce LTC benefits. See the Nationwide Long-Term Care Narrative Summary Description for additional details.

⁸ Benefits may be taxable under certain circumstances. Consult your tax advisor.

⁹ The insured must continue to meet LTC claims requirements.

¹⁰ The plan of care prepared by your U.S.-licensed health care practitioner must state that care from family members or other informal caregivers is appropriate.

Approval of coverage under the LTC Rider is subject to underwriting and may require a medical exam.

The long-term care rider does have exclusions, limitations, reductions of benefits and terms under which the rider may be continued in force or discontinued. For more details on cost and coverage options, contact your financial advisor.

Your coverage under the LTC rider is guaranteed renewable. This means Nationwide will not unilaterally cancel or reduce coverage under this Rider, unless you request termination of this Rider, it will remain in force as long as the Policy remains in force. Your monthly LTC rider charge rate cannot increase beyond the maximums stated in your policy. However, Nationwide has the right to increase your current monthly LTC rider charge rates, up to the guaranteed maximum monthly LTC rider charge rate. Any change in the current monthly LTC rider charge rate will be on a uniform basis for Insureds of the same sex, issue age, product, rate type and rate class whose policies have been in force for the same duration.

If the policy's surrender value is not sufficient to pay policy charges, a lapse pending notice will be sent informing you that the policy has entered a grace period. The grace period will last 61 days from the date we mail that notice.

Narrative Summary

About the illustration

The illustration is not a contract and will not become part of any policy issued by Nationwide Life and Annuity Insurance Company. It must be accompanied by a current prospectus at the time of solicitation. The policy constitutes the actual agreement of coverage and contains the entire terms of the contract. The policy is designed to qualify as life insurance under laws of the United States of America, including the Internal Revenue Code of 1986, as amended. Tax treatment for citizens of, and US residents subject to taxation in, foreign countries may be different. Neither Nationwide nor its representatives give legal or tax advice. Please consult with your attorney or tax advisor for answers to your specific tax questions.

This illustration is intended to help you understand how your policy works, not to predict or project actual performance. This illustration assumes that the currently illustrated nonguaranteed elements used will not change for all years shown. This is not likely to occur, and actual results may be more or less favorable than those shown. The illustrated investment results are hypothetical. They should not be viewed as representative of past performance nor indicative of future results. Actual investment performance will either be more or less favorable than those shown and will vary depending on the investment allocation(s) chosen. Values vary by the proposed insured's age, sex, risk class, and reflect a variety of illustrated activities, such as planned premiums, coverage amounts, loans, and partial surrenders to illustrate the impact on the policy's performance.

This illustration assumes that all transactions (premium payments, partial surrenders, and/or policy loans and loan repayments) Sub-Account valuation, Indexed Interest Strategy, Fixed Account and Long-Term Fixed Account interest crediting occurs on a policy monthiversary, and that the policy date and all policy monthaversaries occur on a Sweep Date. In reality, transactions can occur on any day, and policy monthaversaries do not occur on Sweep Dates for most policies. All other illustrated values such as death benefits, cash values, cash surrender values and any policy indebtedness are shown as of the end of each policy year.

About the Nationwide VUL Accumulator

Nationwide VUL Accumulator is an individual permanent life insurance policy designed to provide you with:

- Permanent protection for your family and loved ones
- Flexible premiums
- Income tax-free death proceeds
- Tax-deferred cash value growth potential
- Control over the investment options of the contract
- An investment lineup featuring nationally recognized fund managers and indexed interest strategies
- Access to your money through partial surrenders and loans (certain restrictions apply)

Policy values depend on the timing and amount of your premium payments, the monthly policy deductions, and the investment performance of the selected investment options.

This policy offers a Death Benefit Guarantee Period of 20 years. During this period, there is a no-lapse guarantee based upon your net accumulated premium. As long as the total premium paid, less accumulated partial surrenders and outstanding loan balance, is greater than or equal to the accumulated Death Benefit Guarantee Premium through the most recent policy monthaversary, the policy will not lapse.

After the first policy year, partial surrenders can be made. Also, available cash surrender value can be borrowed at any time. The policy can be surrendered for cash at any time, however, the amount paid will be decreased by any applicable surrender charge, outstanding policy loans, and accelerated death benefit payments.

Narrative Summary

Any Specified Amount increase or Death Benefit Option changes will require evidence of insurability satisfactory to Nationwide.

Investment / Interest Crediting options:

A brief description of policy investment options is provided below. Please see the prospectus for more detail on policy investment options, including:

- How investment experience is determined for each investment option
- Any transfer restrictions among and/or between policy investment options
- Any fees that may be associated with certain transfers.

Nationwide VUL Accumulator offers the following Investment/Interest Crediting options:

- Variable Sub-Accounts
- Indexed Interest Strategies
- Fixed Account
- Long-Term Fixed Account

Variable Sub-Accounts

Nationwide VUL Accumulator offers variable sub-accounts that invest in a wide variety of underlying mutual funds (please see the Underlying Mutual Fund Information Page). These choices range from equity investments to bond funds and a money market fund, enabling you to create a portfolio designed to meet your investment objectives based upon your risk tolerance. Cash value invested in the Sub-Accounts is subject to market fluctuation, investment risk and possible loss of principal.

Indexed Interest Strategies

These Indexed Interest Strategies are not stock market investments, do not directly participate in any stock or equity investments and do not receive dividend or capital gains participation. Past index performance is no indication of future crediting rates. Also, be aware that interest crediting fluctuation can lead to the need for additional premium in your policy.

The following Indexed Interest Strategies are currently available:

One Year Multi-Index Monthly Average Indexed Interest Strategy This strategy uses three indexes, the S&P 500®, the Dow Jones Industrial AverageSM, and the NASDAQ-100®. Interest is calculated using a weighted blend of the monthly average performance of these three indices. Although this interest credit may vary, it is guaranteed to not go below 1%.

One Year S&P 500® Point-to-Point Indexed Interest Strategy This strategy uses one index, the S&P 500®. Interest is calculated using the annual performance of the S&P 500®. This interest credit may also vary, but it is guaranteed to not go below 1%.

One Year Uncapped S&P 500® Point-to-Point Indexed Interest Strategy

This strategy follows one index, the S&P 500®. Interest is credited to the Indexed Account based on the annual performance of the S&P 500®. This interest credit may also vary, but it is guaranteed to not go below 0.25%.

Narrative Summary

Participation Rate - The percentage applied to the result of the Reference Index's interest crediting formula prior to application of an Index Segment's Cap Rate and Floor Rate.

	Current	Guaranteed
1-Yr Multi Index Monthly Average	100%	100%
1-Yr S&P 500 Point to Point	100%	100%
1-Yr Uncapped S&P 500	100%	100%

Cap Rate - The maximum rate of interest that will be credited to an Index Segment even if the Reference Index's performance and interest crediting formula produce a result that is greater.

	Current	Guaranteed
1-Yr Multi Index Monthly Average	9.00%	3%
1-Yr S&P 500 Point to Point	7.50%	3%
1-Yr Uncapped S&P 500	N/A	N/A

Floor Rate - The minimum rate of interest that will be credited to an Index Segment even if the Reference Index's performance and interest crediting formula produce a result that is less.

	Current	Guaranteed
1-Yr Multi Index Monthly Average	1.00%	1.00%
1-Yr S&P 500 Point to Point	1.00%	1.00%
1-Yr Uncapped S&P 500	0.25%	0.25%

Spread Rate - The Spread Rate is a factor used to determine the Index Segment Interest Rate for uncapped Indexed Interest Strategies. The Reference Index Performance Rate is reduced by the Spread Rate after the Participation but before the Floor Rates have been applied.

	Current	Guaranteed
1-Yr Uncapped S&P 500	10.25%	20%

Index Segment(s) - A division of an Indexed Interest Strategy created on a Sweep Date by the allocation of net premium and loan repayments, reallocation of Index Segment Maturity Value, and/or transfer of Cash Value from the Fixed Account, Long-Term Fixed Account, and/or Sub-Accounts to an Indexed Interest Strategy. Segments are credited interest at the **end** of the Index Segment Interest Period, which is generally one year from the date it was created.

Index Segment Maturity Value - The Cash Value of an Index Segment on its Index Segment Maturity Date after any interest is credited.

Reference Index - One or more market indexes associated with an Indexed Interest Strategy.

Sweep Date - The date on which net premiums and loan repayment allocations, reallocation of Index Segment Maturity Value, and/or transfers of Cash Value from the Fixed Account, Long-Term Fixed Account, and/or Sub-Accounts to an Indexed Interest Strategy to create new Index Segments. The Sweep Date is currently the 15th of each month.

Narrative Summary

Amounts withdrawn, deducted, or transferred from an Index Segment during an Index Segment Interest Period: for full or Partial Surrenders; to pay Monthly Deductions and other policy charges; or to the Policy Loan Account (including due and unpaid Loan Interest Charged), will not receive any Index Segment Interest for that Index Segment Interest Period. Amounts withdrawn on an Interest Segment Interest Crediting Date will receive Index Segment Interest for the Index Segment Interest Period that ends on that day, but will not receive Index Segment Interest for any subsequent Index Segment Interest Period.

Fixed Interest Options

There are two fixed interest options, the Fixed Account and Long-Term Fixed Account.

The fixed interest options are funded by our General Account and provide a guaranteed minimum interest rate of 1.00%. Interest rates for the fixed interest options are determined quarterly. Interest in excess of the guaranteed minimum interest rate may be credited at our discretion. The fixed interest options are subject to allocation, transfer, and partial surrender restrictions.

The Long-Term Fixed Account may receive a greater rate of interest on a current basis and is subject to greater allocation, transfer, and partial surrender restrictions than the Fixed Account. Nationwide may stop accepting allocations and transfers into the Long-Term Fixed Account at any time.

Fixed Account

Current	Guaranteed
3.25%	1.00%

Long-Term Fixed Account

Current	Guaranteed
4.00%	1.00%

The illustrated policy values might not be achieved if actual interest rates differ from those assumed in this illustration. Interest credited to the fixed interest options on a current basis in excess of the guaranteed minimum is not guaranteed and Nationwide may offer promotional rates for new issues and/or in force policies that may not be sustainable for long periods of time. In addition, interest credited on a non-guaranteed basis varies over time, is rarely the same year-over-year, and may be limited to the guaranteed minimum for extended periods of time.

Key Terms and Column Headings

Annualized Premium Outlay⁽³⁾ - Total premium paid into the policy during a policy year.

Life Insurance Illustration

Nationwide VUL Accumulator

Nationwide Life and Annuity Insurance Company, Columbus, Ohio

Narrative Summary

⁽³⁾ - You, the applicant, selected the Initial Planned Premium, Lump Sum Premium, and Annualized Premium Outlay shown in this illustration to show Nationwide how much Premium you intend to pay. Illustrated hypothetical rates of return are not guaranteed. Investment experience varies over time, is rarely the same year-over-year, and may be negative. Because this is a variable insurance product with the potential for unfavorable investment experience, including extended periods of significant stock market decline, you may be required to pay additional Premium in order to meet your goals and/or to prevent the policy from Lapsing. Generally, variable life insurance is considered a long-term investment. Please weigh the investment risk and costs associated with this product against your objectives, time horizon, risk tolerance, and ability to pay additional Premium if necessary.

Assumed Rates of Return - Are non-guaranteed hypothetical rates of return selected by the applicant/policy owner. Assumed Rates of Return are unlikely to be the same year-over-year and could be less for extended periods of time, which may require additional premium to meet the illustrated goals and/or to prevent the policy from lapsing.

Alternate Rates of Return - Are hypothetical rates of return defaulted in the illustration. Alternate Rates of Return are designed to show how the policy might perform under less favorable rates of return compared to the Assumed Rates of Return. Alternate Rates of Return shown use the guaranteed minimum rates of return for the Fixed Account, Long-Term Fixed Account and any Indexed Interest Strategies.

Alternate Rates of Return also use a 0% gross rate of return for any illustrated Variable Sub-Accounts. Please know that the 0% gross rate of return is not a guaranteed minimum. Variable Sub-Accounts are subject to market fluctuation, investment risk, and possible loss of principal.

Attained Age - Issue Age plus the number of full policy years since the policy date.

Cash Value - The amount of premium paid: minus the percent of premium charge ("premium load"), monthly deductions for cost of insurance and other policy and rider charges, and any partial surrenders; plus interest credited and investment experience.

Index Segment interest is credited on Index Segment maturity dates. However, for illustration purposes Index Segment interest is shown as being credited one day earlier than the Index Segment maturity dates. This results in higher illustrated year-end Cash Values and Cash Surrender Values than would be reported on annual statements even if all other assumed interest credits and policy activity occur as shown.

Current Values - The Current Values are based on current policy charges. The illustration assumes that current policy charges will not change in the future years.

Cash Surrender Value - The amount the policy owner would receive upon a full surrender of the policy. Cash Surrender Value equals Cash Value less applicable Surrender Charges, minus any Total Loan Balance. Any accelerated death benefit payments can also reduce the Cash Surrender Value.

Death Benefit Option - Determines the amount of death benefit payable.

- Option 1 provides a level death benefit equal to the Specified Amount of the policy.
- Option 2 provides a death benefit equal to the Specified Amount of the policy plus its Cash Value.

Guaranteed Values - The Guaranteed Values are based on guaranteed maximum policy charges

Narrative Summary

IRC Section 7702 - Life Insurance Qualification Test: Two alternative tests as defined by Internal Revenue Code (IRC) Section 7702 used to determine tax treatment of the policy, one of which must be elected at the time of application:

Cash Value Accumulation Test (CVAT): CVAT requires that the Cash Value not exceed the Net Single Premium (NSP) to fund the future benefits at any time.

Guideline Premium/Cash Value Corridor Test (GP/CVCT): GP/ CVCT is a dual test that is met at all times if:

1. The total of the gross premium paid under the contract does not exceed the guideline premium limitations for the contract, and
2. The statutory cash value corridor requirement is satisfied.

Modified Endowment Contract (MEC) - A life insurance policy into which premium payments made during the first seven years of the contract, or during the first seven years after a material change, exceed the Modified Endowment Premium limit as defined by section 7702A of the Internal Revenue Code. Distributions from these types of contracts are subject to less favorable tax treatment than distributions from policies that are not MECs.

Nationwide will monitor compliance with respect to the Internal Revenue Code definition of Life Insurance and Modified Endowment Contract. Nationwide will notify the policyholder of any occurrence that could result in the policy becoming a MEC and the potentially adverse tax consequences that could result. Nationwide will refuse any policyholder action that would result in disqualification of the policy as Life Insurance.

This illustration is designed to avoid MEC status as defined by Section 7702A of the Internal Revenue Code.

Net Annual Outlay - Net Annual Outlay represents premiums paid plus any loan repayments, less Partial Surrenders and Loans.

Net Death Benefit - Death benefit amount that will be paid to the beneficiary in the event of the Insured's death while the policy is in force. This amount is net of any outstanding policy indebtedness and any accelerated death benefit payments.

Specified Amount - Dollar amount used to determine the amount of the death benefit.

Total Loan Balance - Outstanding policy indebtedness plus any unpaid Loan interest.

Narrative Summary

Monthly Deductions - The charges taken from the total cash value, which are the sum of:

- Administrative charge
- Per \$1,000 of Specified Amount charge
- Cost of Insurance charge
- Percent of Sub-Account Value charge
- Rider charges

Administrative Charge:

	All Years
Current	\$10 / month
Guaranteed Max	\$20 / month

Monthly per \$1,000 of Specified Amount Charge - Varies by sex, underwriting classification, total Specified Amount, issue age and death benefit option. The Specified Amount in effect at issue and each Specified Amount increase, if any, represent separate segments of coverage under this Policy. Separate monthly per \$1,000 of Specified Amount charge rates are used to calculate the monthly per \$1,000 of Specified Amount charges for each segment of coverage.

Current	The Current Monthly per \$1,000 charge will be assessed for 10 policy years
Guaranteed	The Guarantee Monthly per \$1,000 charge will be assessed all policy years

Cost of Insurance Charge - Varies by issue age, length of time the policy is in force, sex, risk class, net amount at risk, and any substandard rating. Current and guaranteed monthly Cost of Insurance Charge rates generally increase year over year to reflect expectations that mortality and underwriting risks generally increase as the Insured's Attained Age and the length of time the Policy has been In Force increase. Please see optional Cost of Insurance Rate report for guaranteed and currently projected nonguaranteed Cost of Insurance Charge rates for all policy years.

Percent of Sub-Account Value Charge

	All Years
Current	0.00%
Guaranteed	0.50%

Rider Charge - for any elected optional riders

Other Charges:

Withdrawal Amount - Amount taken as partial surrenders during the policy year. Partial surrenders reduce the death benefit and Cash Surrender Value by the gross surrender amount.

Current	\$0 per withdrawal
Guaranteed	Lesser of \$25 or 5% of the amount surrendered per withdrawal

Loan Amount - Amount borrowed against the Cash Surrender Value. Any outstanding policy indebtedness will be charged interest at the policy Loan interest rate as defined in the policy. If the Loan interest is not paid, it is added to the Total Loan balance. Any outstanding policy indebtedness will result in a reduction of the Cash Surrender Value and Death Benefit proceeds. Indebtedness will also reduce the accumulated premium for purposes of determining whether the Death Benefit Guarantee Premium requirement is met.

Narrative Summary

Any Policy Loan will be **charged** interest at the following rates:

	Years 1 - 10	Years 11+
Current	3.90%	3.00%
Guaranteed	3.90%	3.25%

The loaned portion of the Cash Value will be **credited** interest at the following rates:

	All Years
Current	3.00%
Guaranteed	3.00%

Capped Indexed Interest Strategy charge - the charge is assessed at the time an Index Segment is created. The charge is calculated by multiplying the dollar amount being applied to create an Index Segment by the applicable Indexed Interest Strategy charge rate. The current charge will never be greater than the current Floor Rate for a particular Index Segment minus 0.25%.

Additional Benefits & Information

Nationwide VUL Rewards ProgramSM - Conditional Credit Endorsement

The Conditional Credit Endorsement is part of the Nationwide VUL Rewards Program. This endorsement provides for application of a credit each policy monthiversary on and after the beginning of Policy Year 16 if the "Endorsement Accumulated Premium" test is satisfied. The credit will be applied according to your then current allocation instructions for net premium except any allocation to the Indexed Interest Strategies, which will instead be applied to the Fixed Account. The test is satisfied if "Net Accumulated Premium" equals or exceeds the Endorsement Accumulated Premium. Net Accumulated Premium is equal to premiums paid minus partial surrenders and indebtedness. Endorsement Accumulated Premium is equal to the sum of the Endorsement Monthly Premiums in effect for each month from the Policy Date up to and including the beginning of Policy Year 16. Policies that satisfy the test will receive an annualized credit of 0.40% of the Cash Value less policy indebtedness.

The Nationwide VUL Rewards Program is guaranteed if all qualifying conditions are met. The credit is applied monthly if the Endorsement Accumulated Premium test is met at the beginning of policy year 16, otherwise this endorsement will terminate.

Death Benefit Guarantee

This illustration reflects a 20 year Death Benefit Guarantee Period. This provision ensures that the policy will not lapse during the Death Benefit Guarantee Period as long as (1) is greater than or equal to (2), where:

1. Is the sum of all premiums paid, minus any Partial Surrenders, partial surrender fees and outstanding policy indebtedness; and
2. Is the sum of the Death Benefit Guarantee Monthly Premiums in effect from the policy issue date to the most recent policy monthiversary.

The annualized Death Benefit Guarantee Premium is \$1,464.00.

Policy Maturity Date Extension

- This policy provision protects against the possibility of outliving coverage.
- Provided the policy has not been surrendered or otherwise terminated before reaching the original Maturity Date (the Insured's Attained Age 120), the policy coverage will be extended past the Maturity Date to pay a death benefit upon the death of the Insured.
- After the Maturity Date has been extended, payments will no longer be accepted (except for loan repayments), interest will continue to be credited to the policy's Cash Value, and monthly charges will cease to be deducted.

Narrative Summary

Accelerated Death Benefit for Terminal Illness Rider

- The Accelerated Death Benefit Rider advances a portion of the policy's death benefit in the event of a terminal illness (with a life expectancy of 12 months or less).
- The rider is effective and attached to the policy at the time the policy is issued.
- There is no upfront charge for this rider; however, charges and adjustments will apply at the time a claim is accepted.
- The receipt of an accelerated death benefit payment may be taxable or may affect Medicaid or public assistance eligibility. Nationwide therefore strongly recommends that clients seek independent advice when determining the benefits of using the Accelerated Death Benefit feature of this policy.
- Nationwide reserves the right to require the base policy Specified Amount be at least \$50,000 on the Benefit Effective Date; the remaining Specified Amount, after acceleration of the death benefit, must be at least the minimum Specified Amount.
- The maximum amount of the accelerated death benefit to be paid if the Insured meets the requirements of the Eligibility and Conditions for Payment section of the ADB Rider cannot exceed 50% of the base policy Specified Amount.
- The Accelerated Death Benefit Payment must be at least \$10,000 and shall not exceed \$250,000.
- The Accelerated Death Benefit may not be available if the current base policy death benefit is equal to the stated minimum death benefit in your policy.

Accelerated Death Benefit for Critical Illness Rider

This rider is automatically added to eligible policies at issue. A charge will only occur if the rider benefit is paid.

This rider permits a request for an elected portion of the base policy's Specified Amount when the Insured is diagnosed with any of the following as described in the rider, including any required period of survival or treatment:

- Cancer
- Heart attack
- Heart valve replacement
- Kidney failure
- Major organ transplant
- Paralysis
- Stroke
- Sudden cardiac arrest

The maximum annual benefit is the lesser of 10% of the specified amount or \$25,000 per event and is paid as a lump sum. A maximum of 5 claims are allowed.

An administrative charge of up to \$250 dollars, and any due and unpaid premium or policy charges and a loan repayment for any outstanding policy loan, are deducted from the benefit payment. In addition, the Specified Amount and other policy values are reduced each time an accelerated death benefit payment is made. The reduction in the Specified Amount will be more than one dollar for each dollar of benefit received by the Policy Owner based on factors that exist at the time of claim including interest rates and age of insured at the time of claim. The reduction factor includes the cost of accessing the death benefit early. Benefits provided by other riders may also be impacted or require termination when a benefit under the Critical Illness Rider is paid.

Benefits may be taxable under certain circumstances. Consult your tax advisor.

Limitations on availability and the amount of the benefit apply. If the policy specified amount at the time of claim is at or near the minimum stated specified amount in the policy, benefits may not be available. Please request a copy of the rider for details.

Narrative Summary

Overloan Lapse Protection Rider II - The Overloan Lapse Protection Rider II helps protect heavily loaned policies from lapsing by providing a guaranteed paid-up insurance benefit, avoiding a potential tax consequence on the Loan balance. Neither the IRS nor the courts have ruled on the tax consequences of invoking the Overloan Lapse Protection Rider II. It is possible that the IRS or a court could assert that the Indebtedness should be treated as a distribution, all or a portion of which could be taxable when you elect to invoke the benefits under the rider. You should consult with a tax advisor regarding the risks associated with invoking this rider. The rider is automatically added to your policy when it is issued, but there is no charge until you choose to invoke it. The rider has no cash value and has no Loan value. To invoke the rider, the policy must meet all of the following requirements:

- The policy has reached its 15th anniversary.
- The Insured (or younger Insured if this rider is attached to a survivorship policy) is at least age 65.
- All amounts required to be withdrawn so that the policy continues to qualify as life insurance under Section 7702 of the Internal Revenue Code must be taken as Partial Surrenders.
- The indebtedness plus any long-term care benefits paid (if any) becomes more than a certain percentage of the policy's cash value. This percentage is called the 'trigger point' and varies by the Insured's attained age.

Narrative Summary

Long-Term Care Rider

This rider provides monthly benefits for qualified Long-Term Care services upon approval of a claim. Eligibility requirements include certification that the Insured is chronically ill, a plan of care for qualified LTC services, and a 90 calendar day elimination period must be met. Chronically ill means, the insured has been certified, within the preceding twelve months, by a licensed health care practitioner other than the owner or employee of an LTC service provider or immediate family of the policy owner or Insured, as:

- a. being unable to perform, without substantial assistance from another individual, at least two or more activities of daily living for a period of at least ninety days due to a loss of functional capacity; or
- b. requiring substantial supervision to protect the individual from threats to health and safety due to severe cognitive impairment.
- **Qualified LTC services** include: informal home care; formal home care; assisted living care, adult day care, facility care, including nursing home care, and other qualified services.
- **International Benefits** - Insureds residing in a foreign country when the need for benefits arise are not required to return to the United States for certification; however, the licensed health care practitioner providing the certification must be licensed to practice in the U.S.
- **Exclusions** - This rider does not cover any expense which results from: intentionally self-inflicted injuries or attempts at suicide; committing or attempting to commit a felony; alcoholism or drug addiction, unless addiction results from administration of drugs for treatment prescribed by a Physician; or war or any act of war, whether declared or undeclared.
- **Pre-existing Conditions** - This rider also does not cover preexisting conditions not disclosed in the application if the need for services begins during the first six months after the LTC Rider effective date.
- **Cash Indemnity Benefits** - Once a claim has been approved, no bills or receipts are needed. The LTC benefit will be paid directly to the policy owner on a monthly basis. Benefits are paid as an acceleration of the elected portion of the policy's Specified Amount.
- **No-Lapse Guarantee** - The LTC Rider offers a 'no-lapse guarantee' feature (see the 'Policy & Rider Lapse Protection' section of the LTC Rider). While LTC benefits are being paid, if the policy's surrender value is insufficient to cover monthly deductions, the monthly deductions will be waived and we will not lapse the policy. However, while the policy is being kept in force by this feature, the death benefit will be calculated using your LTC Rider Specified Amount. If the LTC Rider Specified Amount is less than the Total Specified Amount, your death benefit will be reduced. In addition, if the no-lapse guarantee is keeping the policy in force when a claim ends or LTC benefits are exhausted, additional premium may be required to keep the policy in force.
- **Partial Surrenders and Loans** - Taking partial surrenders will reduce the Maximum Lifetime LTC Benefit and, unless based on the HIPAA per diem, the Maximum Monthly LTC Rider Benefit if the partial surrender would result in a decrease of the policy's Specified Amount below the LTC Rider Specified Amount. Partial surrenders that would cause the LTC Rider Specified Amount to be less than the greater of the Minimum LTC Rider Specified Amount or the LTC Benefit Payout Account will not be permitted. Indebtedness will reduce the Maximum Lifetime LTC Rider Benefit and, unless based on the HIPAA per diem, the Maximum Monthly LTC Rider Benefit when the policy's Specified Amount minus Indebtedness is less than the LTC Rider Specified Amount. The Maximum Lifetime LTC Rider Benefit will be increased if the total Specified Amount minus Indebtedness is less than the LTC Rider Specified Amount and a loan repayment is made.
- You have selected the LTC Rider Specified Amount of \$160,000.00 with a risk class of Couple Preferred Nontobacco. Approval of coverage under this Rider is subject to underwriting, and will require a medical exam.

Life Insurance Illustration

Narrative Summary

- The maximum monthly benefit provided by this Rider is the lesser of: the LTC Rider Specified Amount multiplied by an elected percentage of 2%, 3%, or 4%; two times the HIPAA per diem in effect at the time the benefit is paid multiplied by thirty; or 1/12 of the remaining maximum lifetime benefit provided by the Rider. You may elect to take less than the maximum monthly benefit.
- Monthly LTC Rider Charge for each electable maximum monthly benefit is:
 - \$7.68 for the 2% monthly LTC benefit
 - \$10.40 for the 3% monthly LTC benefit
 - \$12.64 for the 4% monthly LTC benefit
- You elected 2%. This election cannot be changed once the policy is in force.

Residual Death Benefit Endorsement - If LTC Rider benefits have been paid and the LTC Rider is In Force when the Insured dies, the policy will provide minimum Death Benefit Proceeds as follows:

1. If the LTC Rider is not keeping the policy in force and the Death Benefit is not greater than or equal to 10% of: the Base Policy Specified Amount minus any Indebtedness, Nationwide will instead pay Death Benefit Proceeds equal to the greater of zero, or: (1) 10% of: the base Policy Specified Amount minus any Indebtedness; minus (2) the lesser of (a) or (b) if the Policy is in a grace period when the Insured dies, where: (a) is any due and unpaid monthly deductions and any other Policy charges; and (b) is the dollar amount of Premium that would meet the requirements of any death benefit guarantee or no-lapse guarantee; and

2. If the LTC Rider is keeping the policy In Force and the Death Benefit Proceeds are not greater than or equal to: 10% of: the LTC Specified Amount minus any Indebtedness, Nationwide will instead pay Death Benefit Proceeds equal to 10% of: the LTC Specified Amount minus any Indebtedness.

Waiver of Monthly Deductions Rider

- The Waiver Rider ensures that should the Insured become disabled Nationwide will waive the policy's monthly deductions. Rider may remain in force until the Policy Anniversary on which the Insured reaches Attained Age 65, provided the policy remains in force.

Death Benefit Guarantee Premium (DBGP): Paying this premium each policy year guarantees that the policy will remain in force for 20 years assuming no loans or partial surrenders are taken and no changes are made to the policy during this period.

Target Premium (TP): This is the premium used in the calculation of producer compensation. This product offers a commissionable target period of 24 months. This may not be available in all states.

Modified Endowment Premium (MEP): As defined by the IRS Code 7702A, this premium represents the level annual premium required for seven years to mature the policy under mortality charges at an annual interest rate of 2%.

Guideline Annual Premium (GAP): This premium represents the level annual premium required to mature the policy under mortality and expense charges, as defined in IRS Code 7702, at an annual interest rate of 2%.

Guideline Single Premium (GSP): This premium represents the single premium required to mature the policy under mortality and expense charges, as defined in IRS Code 7702, at an annual interest rate of 4%.

Conditional Credit Endorsement Premium (CCEP): Paying this premium each month through the beginning of policy year 16 will satisfy the premium requirement to receive the Conditional Credit Endorsement benefit, assuming no withdrawals, policy indebtedness or other policy changes are made. Please see Conditional Credit Endorsement description in the Narrative Summary for more details.

This supplemental report assumes that the currently illustrated nonguaranteed elements will continue unchanged for all years shown. This is not likely to occur, and actual results may be more or less favorable than those shown.

I certify that I have received a copy of this illustration from the producer along with a current prospectus. I also understand that this illustration is not a contract and that the terms of the policy constitute the actual agreement of coverage.

I understand that I selected the Premium shown in the illustration to show Nationwide how much Premium I intend to pay. Illustrated hypothetical rates of return, referred to as Alternate Rates of Return, may not be guaranteed. Investment Experience varies over time, is rarely the same year-over-year, and may be negative. I understand that this is a variable insurance product with the potential for unfavorable investment experience in any selected Variable Sub-Accounts, including extended periods of significant stock market decline. In the event of any unfavorable investment experience, I understand that I may be required to pay additional Premium in order to meet my goals and/or to prevent the policy from lapsing.

I understand that illustrated non-guaranteed policy charges are subject to change and could be higher. In the event illustrated non-guaranteed policy charges are higher, I understand that I may be required to pay additional Premium in order to meet my goals and/or to prevent the policy from lapsing.

Policy was not illustrated as a Modified Endowment Contract.

Long-Term Care Rider Analysis

Input Summary

Assumptions:	
LTC Rider Specified Amount	\$160,000
Inflation Rate	3.20% ¹
Hypothetical Age LTC Rider benefits begin	Age 70 ²
Desired Daily LTC Benefit (in today's dollars)	\$300
Gross Rate of Return	4.00%

Based on the assumptions specified, this policy can pay an initial monthly benefit of \$3,200.00 which corresponds to 18% of desired monthly long term care needs.

¹ This percentage of inflation is the default rate based on historical HIPAA inflation rates. While we recommend you leave this figure as shown, it can be changed to reflect the inflation rate of Long-Term Care for the geographical location of the client by following the directions below. Changing this rate will affect the results of this report in the following manner:

- Changes the estimated percentage of desired Long-Term Care protection this rider provides based on inflation values.

² Age 70 is the default age illustrated. You may illustrate the Long-Term Care Rider benefit commencing at any age by changing the default in this report. Changing the age to begin benefits will affect the results of this report in the following manner:

- Changes the estimated percentage of desired Long-Term Care protection this rider provides based on inflation values.
- Changes the results of illustrating the effect of Loan balances, which could reduce or eliminate the Long-Term Care benefit.

Note: The inflation rate is used to determine the increase in "desired daily benefit in today's dollars" as well as the HIPAA per diem amount. The HIPAA per diem amount for 2026 is \$430.

Long-Term Care Analysis

(see Policy Values - Guaranteed for values based on guaranteed elements)

NON-GUARANTEED CURRENT POLICY CHARGES

	Age	Policy Premium Year Paid	Monthly LTC Benefit	Contract Value	Surrender Value	Net Death Benefit	LTC Benefit Remaining
71	119	1,870	0	390,380	230,380	230,380	0
72	120	1,870	0	420,840	260,840	260,840	0

Based on the assumptions specified, this policy can pay an initial monthly benefit of \$3,200.00 which corresponds to 18% of desired monthly long term care needs.

Note: The inflation rate is used to determine the increase in "desired daily benefit in today's dollars" as well as the HIPAA per diem amount. The HIPAA per diem amount for 2026 is \$430.

While receiving rider benefits, Loans or Partial Surrenders are not permitted.

CONSENT TO ELECTRONIC SIGNATURES AND RECORDS IN NATIONWIDE TRANSACTION

Please read the information below carefully. If you agree to the terms and conditions, please return to the previous screen and check the box to confirm your consent.

1. Definitions

“Consent” refers to this Consent to Electronic Signatures and Records in Nationwide Transaction agreement. “Nationwide” refers to Nationwide Life Insurance Company and Nationwide Life and Annuity Insurance Company. “You” and “your” mean the person giving consent to complete the requested transaction, and receive certain related documentation, electronically. “DocuSign” means the electronic signature and delivery technology of DocuSign, Inc.

2. Scope of Consent

Nationwide is providing this Consent to you in order to obtain your agreement and consent to:

1. Use your electronic signature to process your request for the transaction through DocuSign, rather than obtain your handwritten signature; and
2. Provide to you in electronic format through DocuSign any records relating to the transaction that are required by law, including but not limited to the documents you sign through DocuSign, instead of sending these records to you in paper format.

3. Hardware, Software and Operating System

You are responsible for installation, maintenance and operation of your computer, browser and software. Nationwide is not responsible for errors or failures from any malfunction of your computer, browser or software. Nationwide is also not responsible for computer

viruses or related problems associated with use of an online system, or any delay or failure in connection with your receipt of email notices.

The following are minimum hardware, software and operating system requirements:

Operating Systems	Windows [®] 2000 Windows [®] XP Windows Vista [®] Mac OS [®] X
Web Browsers	Final release versions of Internet Explorer [®] 6.0 or above (Windows only) Mozilla Firefox 2.0 or above (Windows and Mac) Safari [™] 3.0 or above (Mac only)
PDF Reader	Acrobat [®] or similar software may be required to view and print PDF files
Screen Resolution	800 x 600 minimum
Enabled Security Settings	Allow per session cookies

These minimum requirements are subject to change. If these requirements change, you will be asked to re-accept the terms herein, as revised, including, as applicable, new required hardware and software requirements. In such instance, you may, without any fee to you, withdraw your consent to receive any copies of your record(s) in electronic-only format as described under the terms herein. However, continuing to use electronic services in connection with a requested electronic transaction after receiving notice of the change is reaffirmation of your consent. Pre-release (*e.g.* beta) versions of operating systems and browsers are not supported.

4. Maintaining a Current Email Address

It is your responsibility to provide Nationwide with a current, valid email address and to promptly update any changes to this information. You can update your email by contacting your Nationwide representative or by calling Nationwide at 1-800-848-6331.

5. Requesting Paper Copies

You may, at any time, request a paper copy of the record(s) provided to you through the DocuSign system. To do so, simply contact your Nationwide representative or call Nationwide at 1-800-848-6331. At this time there is no fee for paper copies, however, Nationwide reserves the right to charge a fee in the future.

Please note that you will have the ability to download and print the record(s) delivered to you electronically through DocuSign during and immediately after your electronic signature session.

6. Legal Effect

If you agree to the terms and conditions herein, you acknowledge and agree that your Consent is provided and/or obtained in connection with a transaction affecting interstate commerce subject to the Electronic Signatures in Global and National Commerce Act and the Uniform Electronic Transactions Act, or a similar electronic transactions law, as adopted by state law. You further agree that:

1. Your electronic signature and electronic records have the same meaning and effect as handwritten signatures and paper records, respectively;
2. The electronic record(s) that we make available to you through the DocuSign system shall have the same meaning and effect as if you were provided a paper record, whether or not you choose to view the record(s), unless you previously withdrew your consent to receive records electronically through the DocuSign system; and
3. Electronic records are considered received by you at the time you receive an electronic notification alerting you that a record is available electronically to you through the DocuSign system unless Nationwide receives notice that the email notification was not delivered to you at the email address you provided.

7. Termination / Changes

Nationwide reserves the right, in its sole discretion, to discontinue the provision of records in electronic format, and to terminate or change the terms and conditions under which it provides such records. Nationwide will provide you with notice of any such termination or change as required by law.

8. Right to Decline Consent

You have the right to decline to consent by doing one of the following:

1. Return to the previous screen and decline to electronically sign a record from within your DocuSign session by selecting the "Other Actions" button, then click "Decline to Sign" or "Print & Sign", as applicable; or
2. Contact Nationwide at 1-800-848-6331 or contact the Nationwide representative through whom you requested this transaction.

If you decline to consent, you will not be permitted to proceed with this transaction electronically.

9. Right to Withdraw Consent

If you execute this Consent, you may subsequently withdraw your consent at any time and at no cost to you. However, you must inform us of your decision by contacting your Nationwide representative or by calling Nationwide at 1-800-848-6331.

Please note that withdrawing your consent may slow the speed at which certain steps in the transaction at issue can be completed since these processes will have to be completed in paper format.

10. Completing Your Transaction in Paper Format

To complete your transaction in paper format, please contact your Nationwide representative through whom you requested the transaction.

By returning to the previous screen and checking the box to confirm your consent, you agree to the terms and conditions contained in this Consent and affirm the following:

- I can access and read this electronic Consent; and

- I can print this electronic Consent on paper or electronically save or email it to an email address where I can save or print it on paper for future reference and access; and
- I understand the scope of this Consent; and
- I have an account with an Internet service provider (or access to such an account) for personal use, and I am able to send email and receive email with hyperlinks to web sites and attached files; and
- I understand that my electronic signature on this Consent will not replace or alter any electronic signature or record any elections I may have made for other Nationwide products and services; and
- If applicable and as permitted by law, I consent on behalf of all signors in connection with this requested electronic transaction to the use of electronic signatures and electronic records.
